IN THE MATTER OF THE SUSPENSION
OR REVOCATION OF THE LICENSE OF

FELIPE T. JUAN, M.D.

ORDER OF UNRESTRICTED
LICENSURE

TO PRACTICE MEDICINE AND SURGERY
IN THE STATE OF NEW JERSEY
_____)

The Board records in this matter reflect that on October 12, 2001 Dr. Juan, represented by James W. Dougherty, Esq., entered into a Consent Order with the Board which imposed certain restrictions upon Dr. Juan's practice. In particular, that Order required the doctor to undertake limited re-education and to obtain Board certification by the American Board of Bariatric Medicine (ABBM). Dr. Juan was also required to undergo a limited period of monitoring and to pay costs and penalties.

In the interval since the entry of the 2001 Consent Order, Dr. Juan has cooperated with the Board's oversight and has complied with the terms of the Order. Most recently, Dr. Juan appeared

before a Committee of the Board to discuss the steps he has taken in satisfaction of the Board Order and to answer questions with regard to his current bariatric practice. The Committee reviewed patient records and other information regarding Dr. Juan's business practices. It appears to the Board from all of the material submitted and from the doctor's testimony that he has satisfied all the terms of the 2001 consent order. Therefore,

IT IS ON THIS 4th DAY OF May, 2006;

ORDERED:

1. Felipe T. Juan, M.D. is hereby accorded an unrestricted license to practice medicine and surgery in the State of New Jersey.
